UNCLE EZRA'S OPINION OF THE WORLD.
Ain't it good to be a livin' in this grand old world today?
Seems as though I've never seen it lookin' half as fine an' gay.
Just been offered sixty dollars for that oilt there in the lane.
An' Maria says Joe Higgins wants to marry Mary Jane.
She's our oldest, you remember—gittin' close to twenty-nine.
An' we'd sort o' lost hope for 'er. Gosh, but this old world is fine!

Wheat is lookin' mighty splendid, corn is good an' thrifty, too.
Seems as though the sky was never half as soft or half as blue.
Amos—he's my son—I reckon that you've often heard o' him.
Well, he's goin' with Lib Watkins, only daughter of old Jim.
Richest man in this hull county! Lib's no beauty, I'll admit.
But I'm thinkin' Amos figures that there's more than looks to git.

Hear them blackbirds yonder screakin'? Can't keep still, they feel so glad!
I don't see how anybody can set 'round a lookin' sad.

When the good Lord's went an' fixed it so that everything's so fair:
Seems as though the lambs were never half as fine as them up there.

Did I tell you that our Lizzie was engaged to Henry Spink?
He's to ask me for her Tuesday—an' I'll give her up, I think.

My! but don't them fields look splendid with the shadow's floating past.
An' this weather can't be beaten—seems too good almost to last.

When our Mary Jane an' Lizzie go an' leave their ma an' me
We'll have only three remainin' to git married off, I see—

As, of course, is confidential—that Will Ballard's half inclined
To stay up to Belle, our third one. Well, I guess ma wouldn't mind.

I will admit I grumbled an' was blue a month ago.
I was lookin' mighty gloomy. I've quit nursin' trouble, though.

I tell you what, it's splendid—this old world in the spring
That makes people git to lovin' an' to think o' marryin'.

We had sort o' got to losin' hope for Mary Jane an' Liz.
Say, just look at them there blossoms. What a grand old world this is!

FOREST AVENUE FIRE

Dwelling of James Burtle Was Destroyed Last Afternoon

About 4 o'clock yesterday afternoon a frame dwelling belonging to Mr. James Burtle in East Forest avenue was entirely destroyed by fire. Mrs. Burtle had lighted a gasoline stove, preparatory to the evening meal.

Having placed a skillet containing a piece of bacon on the stove to fry, she stepped out into her yard to procure a few blackberries for supper, which detained her but a few minutes.

On her return she found the structure ablaze and owing to lack of fire protection and timely assistance the house and contents, together with \$100 she had secreted in the house, were consumed.

The building was on the South side of the street, in the county, hence the fire department did not respond to the call for aid.

It is said the grease in the pan ignited, which caused the gasoline stove to explode.

The loss was about \$900, with an insurance of \$500 on household goods and \$200 on dwelling.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.

WHY?

Why are the good cooks getting so scarce in Maysville?

Because so many of them have gone and are going every day or so to Cincinnati, Dayton, Washington, C. H. and other Ohio towns.

Why do these good cooks leave Maysville to go to Cincinnati and other towns mentioned? Because they get more money for less HARD work.

How is it that one woman can do all the cooking and house work, and even laundering, too, at these other places and yet be said to do less HARD work than she would have to do just cooking alone in Maysville?

Because cooking with Gas removes all the burden of kitchen labor, saves half the time, and leaves the cook fresh and able to do the other lighter housework, and even the laundering where Gas is used for that purpose also.

BRING IT HOME TO YOURSELF!

What would you do if you were the cook? Go away like the rest of them. It is a practical proposition. If you want to keep your cook pot yourself on an equal footing with your neighbors across the river.

Yesterday afternoon Mr. C. H. Williams of Mayslick stepped into the toilet room at the Central Hotel and before washing his hands removed a handsome ring—the property of Miss Pickett Robertson of Mayslick, which was temporarily in his possession—and laid it down on the marble slab.

STATE COLLEGE of Kentucky, Lexington, Ky.

The Agricultural and Mechanical (State College) of Kentucky offers the following courses of study, viz: Agricultural, Horticultural, Chemical, Biological, Mathematical, Physical, Normal School, Classical, Mechanical Engineering, Electrical Engineering, Civil Engineering and Mining Engineering, each of which extends over four years and leads to a degree. Postgraduate studies are also provided, leading to a master's degree. Each course of study is organized under a separate faculty. The general faculty numbers nearly fifty professors and instructors.

County appointees receive free tuition, room rent in dormitories, fuel and light, and if they remain ten months traveling expenses.

The laboratories and museums are large, well equipped, comprehensive and modern.

The Legislature appropriated \$60,000 for a college home for young women and \$80,000 for drill hall and gymnasium for men. Both buildings are completed and in use. Military tactics and science are fully provided for as required by Congress.

Graduates from the several courses of study readily find excellent positions and liberal remuneration. The demand is largely in excess of the ability of the College to supply.

Specialists with the necessary number of assistants have charge of each department of natural science. Summer schools are provided for pedagogy, engineering, instruction in science and in arts.

The State College of Kentucky, though bearing hitherto the title of "college," is the only institution in the Commonwealth doing, in any proper sense, university work.

The completion of the College Home for Young Women provides facilities for good board and lodging. It is equipped with all modern conveniences, including bathrooms and rooms for physical culture. It is heated by steam and lighted by electricity.

An opportunity is thus afforded to young women of obtaining a thorough education in classical modern language, literature, science, mathematics, logic, metaphysics, history and political economy.

No other institution in the state offers advantages for education of women at all comparable to those offered by the State College of Kentucky.

For catalogues, method of obtaining appointments, information regarding courses of study and terms of admission, apply to JAMES K. PATTERSON, Ph.D., LL.D., or to D. C. Frazee, Business Agent, Lexington, Ky.

Fall term begins September 14th, 1905.

NOT MAYSVILLE MAN

How Name of Old Town Was "Worked" on Hotel Clerk

Indianapolis News.

An apparently well-to-do farmer registered at the Denison Hotel Monday night. The name was H. C. Guthrie of Maysville, Ky. He had brought with him a "load of horses," Kentucky horses. Fine ones, they were.

He told Will M. Fowler, one of the clerks at the Denison, this: "Now, any time you want to take a drive, just let me know and I'll have one of my horses sent up to you."

Fowler was pleased with the promise. Guthrie was going to stay several days.

Charles A. Kepner, the other clerk at the Denison, came on duty later, and the man with the "load of Kentucky horses" leaned over the counter and told him about the horses.

"Just any time you want to take a drive or horseback ride," he said to Kepner, "let me know and I'll send you up a good stepper."

Kepner likes a drive as well as any of 'em and he thanked the guest. After eating a good breakfast in the American dining-room the man from Maysville, Ky., came downstairs about 6 o'clock Tuesday morning. He had more to say about his horses. Surely he was a lover of the horse. The man from Maysville, Ky., then looked up at the clock. It was only 8. Then he went into his pockets and pulled out a few bills, real bills.

"A farmer is bringing me in a couple o' loads of hay for my horses this morning," he said, "and I lack \$4.75 of having enough to pay for them. Let's see. The banks don't open until 9. Could you give me \$4.75 for a couple of hours?"

Kepner hesitated a minute. He recalled that Morris Donnelly, one of the owners of the hotel, had asked about the man with the horses. Donnelly is connected with the Terre Haute Brewing Company, which uses many horses, and naturally Donnelly was interested. Kepner thought that if Donnelly knew about the man, he was probably all right. He handed

out the \$4.75 and the man from Maysville, Ky., walked out to pay for the "hay for the horses."

And that was the last of the man from Maysville.

Kepner did not feel entirely convinced of the "horseman's" good intentions, so he sent a porter upstairs to see if Guthrie had any baggage. There wasn't a sign of baggage, of course, and Kepner is \$4.75 long on experience and short in cash. The "horseman" is ahead a good night's lodging and \$4.75.

BEAUTIFUL BEECHWOOD...

The Casino at "Beautiful Beechwood" opens Monday, July 24th, with Bert Marshall's Comedians, a company of high-class entertainers presenting up-to-date vaudeville. This announcement will be hailed with delight, for many have been the inquiries of the management when the vaudeville season will open. Mr. Bert Marshall is a comedian of rare excellence. His wife, Miss Anna Golde, is one of the best singers on the stage, she being prima donna of the big Louisiana Spectacle at the St. Louis Fair last year, and they play the best vaudeville theaters. The "Musical Williams" will present the best musical ever heard in Maysville. "Little May" is a toe, wing and huck dancer, and is one of the few juvenile artists that really entertain, and together with another team of recognized artists, to be announced later, will make up a program of excellence seldom seen in a summer park. The price of admission will be 15c. Reserved seats on sale at Ray's Thursday morning 10c extra.

A FOOLISH PLAN

"It's a joy to eat—I welcome my dinner hour; Because I rout indigestion with August Flower!" Constipation is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself. "I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course." What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills. August Flower gives new life to the liver and insures healthy stools. Two sizes, 25c and 75c. All druggists.

One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed 10c of his earnings. He must spend 90c in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by all druggists.

TESTS PATIENCE.

The Most Patient Maysville Citizen Must Show Annoyance at Times

Nothing spoils a good disposition, Nothing taxes a man's patience, Like any itchiness of the skin. Itching Piles almost drive you crazy, All day it makes you miserable, All night it keeps you awake, Itch! Itch! Itch! with no relief. Just the same with Eczema. You can hardly keep from scratching it. You would do so but you know it makes it worse. Such miseries are daily decreasing. People are learning they can be cured. Learning the merit of Doan's Ointment. Plenty of proof that Doan's Ointment will cure Piles, Eczema or any Itchiness of the skin.

Read the testimony of a Maysville citizen. Mrs. S. F. Tolle of 117 Short street, Maysville, Ky., says: "Before I used Doan's Ointment, in March 1904, I had suffered for a long while with itching hemorrhoids. I had tried persistently to rid myself of the trouble but without success, and anybody who has known the tortures of this complaint will understand what I suffered. Doan's Ointment, procured at J. James Wood & Son's Drugstore, cured me, as stated in a testimonial given at that time, and during the five years past I have had no return of the trouble. It required only one box to bring this gratifying result. I have used Doan's Ointment for other purposes and find that it is a specific for skin troubles and all itching diseases."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

OUR SUMMER PRICES!

Are now on. These are not startling—just our way of getting rid of all stock on hand. Many will be sold for much less than maker's cost.
